

The Classic Collection

The Classic Collection is our premiere touring option. With no more than 16 guests on any tour and such an incredible choice of things to do and places to see, we set out to give you plenty of time to sightsee, relax and savour the local lifestyle and culture.

Relax in stylish surroundings

Accommodation is usually high up on the list of importance on any holiday. At the end of a day's travel or activity, you'll want to freshen up and relax in a hotel that makes you feel at home. That's why the properties featured in our Classic Collection series have been very carefully chosen for their superior level of comfort, exceptional amenities, friendly staff and service and for their superb location.

We hope that you will take the opportunity to stay a few extra nights in the gateway cities, either at the beginning or end of your holiday. We particularly recommend this for travellers who may be arriving off long-haul flights. An extra day or two will certainly help you in getting over any jet lag and will ensure you are relaxed and refreshed before setting off on your journey around New Zealand.

More than just the usual sightseeing

Our Classic Collection tours include all the 'must-see' highlights of New Zealand plus many exclusive extras. We feature a fantastic mix of cultural, adventure & general sightseeing activities, some of which are only available to small groups.

On any given day, you could be cruising across a crater lake, swimming in natural thermal pools, flying over glaciers, mountains, waterfalls & rainforests, getting up close to & tasting ice from 500-year old icebergs, exploring spectacular fiords, experiencing the thrills of an action packed jet-boat ride or enjoying a guided heli-tour of an active volcanic island. Our trips feature them all!

But on those days when nothing is planned, we let you decide what you want to do.

Holidays are traditionally a great time to spread your wings & try something new but experience has shown that some of the best things in life involve the unexpected, which is why we don't plan everything for you. We believe it's important to have the right balance between a full, well-organised itinerary & the freedom to do your own thing, so within the framework of your journey with us, there is ample time and flexibility for your own personal exploration.

We offer excitement, leisure and adventure in their various forms and you can put them together to end up with the holiday you want! Your Tour Host will be only too pleased to advise & guide you as to all the options available.

Fabulous cuisine

We appreciate that individual appetites vary. Every day begins with a full cooked breakfast at your hotel and some tours may feature evening and specialty meals. When not included, we encourage you to seek out and enjoy the great variety of bistros, cafés and restaurants that offer indoor and al-fresco dining. After all, discovering new and exciting places to eat is a fun part of any travel experience!

Complimentary airport transfers

We offer all our guests complimentary, private limousine transfers on arrival and departure. Simply have your travel agent provide us with your flight details and we will meet you on arrival and see you to your first night's accommodation. At the end of your holiday, we'll make sure you get to the airport in plenty of time for your onward flight.

Day 2 – Akaroa day tour (B,L)

This morning, travel the Banks Peninsula to the quaint village of Akaroa, a beautiful, unspoilt French whaling depot home to the early French settlers of the 1840's. The French heritage is still reflected in the street names & the architecture of its buildings. Visit the cheese factory at Barrys Bay & sample some fine New Zealand cheese. After lunch, enjoy a wildlife cruise exploring the delights of the harbour and sighting dolphins, penguins & seals.

Day 3 – Kaikoura Whale Watch adventure (B)

Spend your day getting close to nature. Travel by train through the rolling hill country of North Canterbury to Kaikoura, located on a narrow strip of coastline where mountains meet the sea. This area is renowned for the variety of marine mammals that can be seen, not least of all giant Sperm Whales & the acrobatic Dusky Dolphin. You'll often see other whale species, seals & the Royal Albatross.

Day 4 – Spectacular TranzAlpine Train, Franz Josef & Fox Glaciers (B)

The TranzAlpine is described as "The Great New Zealand Rail Adventure" and is rated one of the most scenic train journeys in the world. After crossing the huge and fertile patchwork farmlands of the Canterbury Plains, the TranzAlpine winds its way over massive viaducts, through spectacular river gorges and the stunning Waimakariri River valley. It tracks its way up and across the spectacular Southern Alps via the alpine village of Arthur's Pass situated 737 metres above sea level. Travel along the dramatic West Coast, steeped in history dating back to the gold rush era of the 1800's, to the towns of Franz Josef & Fox Glacier.

Stay Te Weheka Inn

Day 5 – Haast, Lake Wanaka & Queenstown (B)

There is the opportunity to experience an optional scenic flight over this remarkable region before our departure this morning (subject to weather conditions). Today, view incredible scenery as you travel past the untouched native forests and pristine lakes of the World Heritage Westland National Park and Haast Pass. Travel over the magnificent Southern Alps to the Southern Lakes District. Days 6 & 7 – Explore Queenstown & surrounds (B)

Enjoy two full days to experience this magnificent resort. Surrounded by majestic mountains, Queenstown boasts adventure activities in all forms, from extreme to relaxed exploration. Here you can take a thrilling jet boat ride, pan for gold, raft the white water rapids, take a wine trail, fish for trout, play golf or 4WD sheer canyons. There are numerous activities from which to

choose and your Tour Host will be pleased to offer advice and help you in your selection.

Day 8 – Milford Sound Nature Cruise & Fly (B)

Today, journey by coach along the shores of Lake Wakatipu and through rolling countryside to Te Anau. Continue along the Milford Road through the Eglinton Valley & then travel through the famous, hand-strewn Homer Tunnel to the Sound itself. Here you board a purpose-built vessel, designed along the lines of a traditional trading scow, for an extended 2½ hour nature cruise. Explore the full length of Milford Sound to the Tasman Sea. This magnificent glacier-carved fjord is home to the famous, mile-high Mitre Peak and you will view spectacular waterfalls, rainforests, mountains and wildlife whilst enjoying an extensive commentary from the on-board nature guide. After disembarking from the cruise, board your light aircraft for a spectacular scenic flight back to Queenstown (weather permitting). You'll marvel at the awesome alpine scenery, flying over waterfalls, mountains & rainforests on this never-to-be-forgotten experience.

Day 9 – Arrowtown, Mt Cook National Park (B,D)

Set beneath the rugged Crown Range is Arrowtown, a fascinating collection of mining cottages with an atmosphere straight out of last century. Enjoy some time to stroll through this historic village located beside the Arrow River, once a haven for the gold prospectors of the 1860's. Later, we travel through the towns of Omarama & Twizel before driving up the western side of Lake Pukaki to the Mt Cook National Park, a World Heritage listed site. Mt Cook is Australasia's highest mountain at 3764 metres. The park covers over 70,000 hectares of breathtaking alpine scenery.
