UNITED 2+1 PREMIER MOTORHOME

New Zealand's favourite 2 berth motorhome is designed with that little extra panache. Pardon the pun, but we've gone to extra lengths with this vehicle built on the long-wheel based version of the Fiat Ducato. More room, environmentally friendly features and a second lounge area that converts to an additional sleeping area all enhance your holiday experience in New Zealand. This is the dream machine for a couple alone or with a baby or small child.
